The Thorp Arch Village Society was established in 1968 to conserve the village and provide events to bring members of the community together. In 2023 the Village Society organised a coronation party attended by 280 residents and later this year we will have a fireworks display and the annual carols on the green. Annual litter picking and bulb planting help to conserve Thorp Arch. If you want to find out more or help with any of the society's events email thorparchvs@gmail.com
